You can be reimbursed from your FSA for mileage and parking expenses for any travel to or from your doctor, dentist, pharmacy, or other medical care provider. Use the chart on the next page to calculate your medical reimbursement amount.

FOR FUTURE PURCHASES, USE YOUR SURENCY BENEFITS CARD TO PAY

Your Surency Benefits card is a special-purpose Visa® Card that give you an easy, automatic way to pay for eligible expense. The Benefits Card lets you electronically access the pre-tax amounts set aside in your Surency accounts. Use it when paying for eligible expenses at a provider or merchant that accepts Visa® and uses an inventory control system. These transactions may be automatically substantiated, meaning you don't have to file a claim and may not have to submit a receipt. However, always keep all documentation for tax purposes or in case Surency requests further documentation.

HOW TO USE YOUR CARD

- + Have a cashier ring up all of your eligible items together. (Non-eligible items will need a separate form of payment).**
- + Swipe your Surency Benefits Card when it's time to pay. Select 'credit' and sign for your purchase.**
Optional: For added security, in addition to your signature, you can set up a PIN number to access your funds by calling 866-898-9795. If you have a PIN number, select 'debit' and enter your PIN.
- + All eligible expenses will be paid for from your account and deducted from your total.**
- + Keep your receipts in the event that further validation is needed.**

REIMBURSEMENT GUIDELINES

The reimbursement request expense must be an IRS-eligible expense and incurred during the Plan Year. (Claims for future dates of service are not eligible for reimbursement).

The reimbursement request must not have been previously reimbursed nor are you seeking reimbursement from insurance or any other source.

The medical mileage indicated must be for transportation primarily for, and essential to, medical care and associated with the dates of service identified above. The standard medical mileage rate is set by the IRS annually and will be calculated by Surency when determining eligible expenses for unreimbursed medical expenses.
