

KNOW BEFORE YOU GO COST ESTIMATOR

ESTIMATE YOUR OUT-OF-POCKET COSTS

It sure is easy.

With the *Know Before You Go* out-of-pocket cost estimator, you can get a feel for what you might pay for vision costs before you even step foot into a store or the doctor's office. This tool includes simple, clear definitions of common vision products and add-ons, all while calculating a range of costs with each click. So, you can feel confident from check-in to check-out.

EASY TO ACCESS AND USE:

- + Log in to your *Member Account* at Surency.com/BurnsMcD and click the "estimate costs" tab.
- + Choose the type of service you want an estimate for, eye exam only or vision products.
- + Choose from a variety of lens types, options and add-ons. You can view detailed descriptions of each product so you feel confident in your choices.
- + You get a range of costs based on your choices and applied vision benefits. We do the math, so you stay in the *Know Before You Go*.
